

# TUFFCAST PIGS

## PRODUCT DESCRIPTION

The PEI Tuff Cast Pigs are a single piece molded all-urethane pig. They are offered in two configurations: The three conical cup version for batching, displacement, and light cleaning applications and the two conical cup, two disc version for heavier cleaning applications. The Tuff Cast Pigs will traverse 1.5 D bends and reductions up to 20%. They are offered in sizes 4"-24", economically priced, non-rebuildable, and simply discarded when worn-out.

Model: TC2C2D  
ALL-URETHANE PIG

Part Number	SIZE	A	B	WT. LBS.
TC2C2D-4	4"	9.5"	7.25	2
