

Pipeline Equipment, Inc. Announces Key Additions to Executive Team

Tulsa, OK — August 1, 2023 — Pipeline Equipment, Inc., a premier fabricator of products for the Oil & Gas industry, is delighted to announce the appointment of two distinguished professionals, Tiffany Bailey and Steve Calvin, to key leadership positions. Their extensive experience and expertise are expected to drive the company's growth and operational excellence to new heights.

Tiffany Bailey - Chief Financial Officer (CFO)

Tiffany Bailey joins Pipeline Equipment, Inc. as the Chief Financial Officer (CFO) with over 20 years of experience in corporate and public accounting, financial reporting, and internal audit. As a Certified Public Accountant (CPA), Certified Fraud Examiner (CFE), and with her Certification in Risk Management (CRMA), Tiffany brings a wealth of financial acumen and expertise to the company.

In her previous financial leadership positions within Fortune 500 companies, Tiffany played a pivotal role in overseeing the accounting and business functions for two large publicly traded oil and gas companies. Her leadership in assessing control processes, implementing best practices, and fostering financial transparency has been instrumental in enhancing financial performance.

Steve Calvin - Operations Manager

Steve Calvin, a seasoned professional with over two decades of experience in operations and management, assumes the position of Operations Manager at Pipeline Equipment, Inc. With a track record of optimizing efficiency and leading cross-functional teams, Steve will oversee engineering and drafting, estimating, purchasing, shipping and receiving, and production.

In his previous roles, Steve demonstrated outstanding leadership, implementing Lean principles, and achieving remarkable operational milestones. He consistently fostered high-performance teams and maintained strong relationships with customers and stakeholders.

Pipeline Equipment, Inc. President, Jack Lollis, expressed his excitement about the new additions to the team, stating, "We are thrilled to welcome Tiffany and Steve to our Pipeline Equipment family. Their wealth of experience and expertise will undoubtedly strengthen our capabilities and contribute to our continued success."

About Pipeline Equipment, Inc.:

Pipeline Equipment, Inc. was founded in 1995 with a dedication to integrity, quality, and customer service. Over the years, the company has grown significantly, becoming a premier fabricator of products for the Oil & Gas industry. With four divisions and state-of-the-art facilities spanning over 200,000 square feet, Pipeline Equipment, Inc. is committed to meeting the unique challenges of every project.
